

THE WEST TOWER

THE WEST TOWER

The West Tower at 3025 JFK Blvd is an elegant new addition to University City's skyline, rising in Brandywine Realty Trust's dynamic, 14 acre, master-planned Schuylkill Yards neighborhood directly adjacent to Amtrak's 30th Street Station. Designed for a mix of office, life science, lifestyle, and residential uses, the West Tower delivers integrated, elevated work + life experiences in Philadelphia's most exciting new neighborhood.

AT A GLANCE

Designed with large, open floorplates, panoramic views, and building and ventilation systems that amplify fresh outdoor air, the West Tower offers customizable lab, research, and office space strategically designed for flexibility and optionality, coupled with vibrant amenity, lifestyle, and green spaces that amplify human health and wellness.

DESIGN

The West Tower's brick base and arches nod to Philadelphia's rich history, while metal details highlight the site's industrial origins and nearby rail line. The shape of the tower optimizes natural light and views to the north and south, and introduces a mix of Commercial and Life Science space, topped by 18 floors of apartment residences. The West Tower responds to today's fluid lifestyles through a luxury amenity club serving both office and residential tenants, and a verdant pocket park linking the West Tower to the neighboring East Tower.

WORKSPACES

A bright, inviting lobby welcomes our commercial tenants and guests and overlooks manicured grounds. Upstairs, airy, light-infused spaces provide the optimal environment for innovative lab and research space or collaborative office spaces.

- Large, flexible 29,400 RSF floorplates
- State-of-the-art mechanical and building systems
- Expansive, unobstructed views
- Ventilation optimized for fresh air intake, filtration, and circulation
- Panoramic floor-to-ceiling glass

AMENITIES

The building's heart lies in the Lifestyle Club on the 9th floor, which features fluid indoor and outdoor experiences that provide convenience and flexibility.

- **Indoors (14,500 SF):** lounges, bar, co-working areas, conference and meeting rooms, upscale phone booths, game room, state-of-the-art fitness center, luxury locker rooms
- **Outdoors (14,500 SF):** terrace with lap and recreation pool, cabanas, grilling stations, verdant lawn and recreation activations
- Sweeping east, west, north, south views

GREENSPACE

Steps from a dynamic network of outdoor spaces, the West Tower will be surrounded by 6.5 acres of greenspace within Schuylkill Yards' master plan. The West Tower is connected to the neighboring East Tower by a lush pocket park designed by leading landscape architecture firm SWA/Balsley.

With a raised deck, seatsteps, and striking views, the Highline Park will be a space for outdoor dining, eclectic art installations, and much-needed moments of calm. The Tower is also directly adjacent to Drexel Square, the 1.3 acre public park that opened in June 2019.

STREETSCAPE

Designed to anticipate the multi-modal ways we move, JFK Boulevard will be reimagined to create a more efficient, pedestrian-friendly, sustainable, and activated streetscape. With generous sidewalks, lush landscaping, and a two-way, protected bicycle lane, JFK Blvd will rival other iconic urban boulevards around the world, and seamlessly connect the neighborhood to exciting dining, culture, and entertainment options throughout the city.
